This represents an increase of approximately 9.23% compared to RM17.68 million recorded in the previous FPE 31 March 2021. The increase was mainly due to the revenue contribution from one new Mothercare outlet and two new The Entertainer outlets in FPE 31 March 2022 as compared to FPE 31 March 2021.

	Current Year Quarter 31 March 2022	Preceding Year Corresponding Quarter 31 March 2021	Variance		Current Year-to- date 31 March 2022	Preceding Year Corresponding Period 31 March 2021	Variance

Profit Before Tax	1,291	2,277	(986)	43.30	1,291	2,277	(986)	43.30

During the current quarter ended 31 March 2022 ("FPE 31 March 2022"), the Group recorded a total revenue of RM22.86 million, representing an increase of 8.53% or RM1.80 million compared to the revenue recorded in the preceding year corresponding quarter ended 31 March 2021 ("FPE 31 March 2021") of RM21.06 million. This increase is mainly attributed to the addition of one new Mothercare outlet at Tropicana Gardens Mall ("TGM") and two new The Entertainer outlets at TGM and Suria Sabah Shopping Mall. As a result, we recorded revenue contribution from a total of 25 retail outlets during the current FPE 31 March 2022, as compared to 22 retail outlets operating in the preceding year corresponding FPE 31 March 2021.

In spite of the increase in the revenue, the Group recorded a lower profit before tax ("**PBT**") of RM1.29 million for the current FPE 31 March 2022 as compared to RM2.28 million in preceding year corresponding FPE 31 March 2021. We had received wage subsidies from the Government and rental rebates from our landlord during the FPE 31 March 2021, which did not recur during the FPE 31 March 2022. Further, we also recorded an increase of 8.42% in administration and other operating expenses during the FPE 31 March 2022 compared to the FPE 31 March 2021, due to higher expenses for depreciation for fixed assets and staff costs in line with increase in number of our retail outlets.

### B2 Comment on material change in profit before taxation for current quarter compared with the immediately preceding quarter

	Current Quarter 31 March 2022	Immediate Preceding Quarter 31 December 2021	Variance		
	RM'000	RM'000	RM'000	%	
Revenue	22,859	29,834	(6,975)	(23.38%)	
Gross Profit	10,950	14,244	(3,294)	(23.13%)	
Gross Profit Margin	47.90%	47.74%			
Profit Before Tax	1,291	3,702	(2,411)	(65.13)%	

For the current quarter under review, the Group registered revenue of RM22.86 million and PBT of RM1.29 million as compared to the revenue of RM29.83 million and PBT of RM3.70 million reported in the immediate preceding quarter. The decrease in revenue of 23.38% was attributed to lower sales generated from our Retail segment, contributed by reduced foot traffic in shopping malls where our retail outlets are located. Such reduction in foot traffic was due to the spiking up of COVID-19 cases throughout Malaysia, brought about by the highly infectious Omicron variant during the first quarter of 2022.

In line with the decrease in revenue in the current quarter, the Group recorded a decrease in PBT of RM2.41 million, from RM3.70 million in the immediate preceding quarter to RM1.29 million in the current quarter.

### **B3** Prospects

The Group's financial performance in recent years has continued to be impacted by the COVID-19 pandemic. However, with the reopening of the economy and the lifting of movement restrictions following the country's "Transition to Endemic" phase which began on 1 April 2022, we are optimistic in seeing a recovery of our operations. We anticipate that as the Covid-19 situation improves, the Group expects to resume our normal growth plans and prospects.

In view of rising cost and interest rates, we remain prudent and cautious for now but will continue to seize on good opportunities as they arise. Our strategies are focused on improving customer experience and when market conditions improve, we are well positioned to take advantage of the recovery.

#### **B4** Variance between Actual Profit and Forecast Profit

The Group has not provided any profit forecast in any public documents and announcements.
